The Robin is a beautifully designed two-story home that blends timeless architecture with modern living. Its brick exterior, clean rooflines, and inviting covered entry give it a classic curb appeal while maintaining a fresh, contemporary feel. Inside, the Robin offers 2,400 to 2,500 square feet of thoughtfully arranged living space with five bedrooms, and a two car garage. Estimated completion is June 2026. Photo of similar home. This home is under construction.
